

Benjamin

"Hidden within your name is a special story"

B is for beauty, that comes from within.
E is for easy going, no ruffles here.
N is for name, a pleasant one indeed.
J is for joy, that you always bring.
A is for agreeable, the best side of you!
M is for melody, the song of life.
I is for interest, you show in others.
N is for name, a pleasant one indeed.

Benjamin is much more than just a name
